

Coverage for Full-Time Students

Coverage for full-time students, between the ages of 21 and 25, is provided under your Extended Health Care and Dental benefits.

This coverage is provided from September 1 to August 31 upon receipt of enrollment confirmation by the student's school. This confirmation must be provided each year. If you have a son or daughter who will be continuing full-time attendance at September 2008, please provide confirmation by fax, or regular mail, to PWI Insurance Services, as soon as you receive the enrollment confirmation.

By providing the above information prior to September 1, there will be no interruption of your son's/daughter's coverage.
