

Our Group Registered Retirement Savings Plan

More and more employers are introducing “retirement plans” for themselves and their employees.

To fill this growing need, we have negotiated a Group RRSP that is second to none! We have chosen Great-West Life (including Canada Life and London Life) whose assets under administration exceed \$36 billion!

Why a Group RRSP?

- ✓ a Group RRSP is a collection of individual RRSPs grouped for ease of management and administration
- ✓ provide retirement income for you, your employees, and spouses
- ✓ retain key and loyal employees
- ✓ help your employees start on the road to retirement security
- ✓ immediately lower the tax withheld from your salary and your employees' salaries

Why Choose our Group RRSP?

- ✓ convenience of contributing through **payroll deductions**
- ✓ **no minimum deposit** required
- ✓ **numerous investment options** – over 60 funds and more than 20 well-known fund managers
- ✓ **includes Asset Allocation Funds** for non-savvy investors (based on an employee's risk tolerance)
- ✓ add this benefit to your employee benefit package at **NO cost**
- ✓ **easy-to-administer plan** – we will provide you with a straightforward guide to keep the plan “running like clockwork”
